Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>Several measures are taken to complete the syllabus of a course or program: Setting clear goals and priorities, Time management, participating in class, Reviewing, summarizing, and seeking additional resources are a few of the measures taken by us. Since the impact of Covid 19 has reduced, students are attending offline classes. Though they have offline classes now, we have provided them with access to Microsoft Office(A package of all the students required Microsoft Apps). With the help of Microsoft Office, all the offline classes being recorded are being shared with students via Microsoft OneDrive and Microsoft Teams.</p> <p>Also, MAHE provides access to Coursera, a platform which hosts online courses and has a reach to a global audience of learners. This is a way for the university to expand its reach and make its educational offerings more accessible to students who may not be able to attend in-person classes due to geographic, financial, or other barriers. By partnering with Coursera, universities also use the platform's technology and infrastructure to deliver high-quality online learning experiences to their students. In addition to offering individual courses, universities can also use Coursera to deliver entire degree programs online, allowing students to earn a degree from the comfort of their own homes.</p> <p>MAHE provides Coursera access to all students who are enrolled. Students, according to their academic requirements, take up the relevant course from Coursera and complete them. The course completion certificate provided by Coursera is submitted, and in turn, it is considered for grading, and it is further transferred to their transcript.</p> <p>Also, we are encouraging students to take NPTEL/Swayam Courses. Once a student completes the course which has required credit according to their academic requirement, the grade is considered, and the credit is transferred to the transcript. Apart from our students, a few of our faculties are developing courses in MOOC Platforms, part of which few courses are available in Coursera, and 6 faculties have their courses in Swayam.</p>		
3. The period of delay in completion of syllabus (in months).	0
