- **Ms. Saniya Mariyam Rasheeka, III BASLP student** presented a paper titled ‘Effect of Modified Chin Tuck Against Resistance (CTAR) and Modified Shaker’s on Upper Esophageal Sphincter Opening (UES) in Individuals with Mechanical Dysphagia and Neurogenic Dysphagia – A Case Study’ under the guidance of **Dr. Radish Kumar B** at the 6th TANISHACON held at Puducherry on 18th, 19th and 20th November 2016.
- **Ms. Tanya Rukiya, III BASLP student** presented a paper titled ‘Exploring Parental Concerns towards Developmental Speech Fluency – A Cross Sectional Study’ under the guidance of **Mr. Gagan Bajaj** at the 6th TANISHACON held at Puducherry on 18th, 19th and 20th November 2016.
- **Ms. Apramita Deshpande, III BASLP student** presented a paper titled ‘Parent, Child and Plan – Exploring the Dynamics of the Triad using Video Based Analysis’ under the guidance of **Mr. Gagan Bajaj** at the 6th TANISHACON held at Puducherry on 18th, 19th and 20th November 2016.
- **Ms. Athira, III BASLP student** presented a paper titled ‘Effect of modified Shakers exercise in individual with reduced pharyngeal contraction: a single case study’ under the guidance of **Ms. Sonia Babu** at the 6th TANISHACON held at Puducherry on 18th, 19th and 20th November 2016.
- **Mr. Gagan Bajaj, Vinitha George, and Jayashree S Bhat** authored the research paper titled “Study of Age Associated Changes in Everyday Cognitive Communication and the Related Well-being” presented at the International Conference on Well-being 2016, held from 31 October 2016 to 1 November 2016 at SIM University, Singapore.
- **Vinitha George, Gagan Bajaj, and Jayashree S Bhat** authored the research paper titled “The Efficacy of Everyday Working Memory Training on Cognitive-Communicative Well-being” presented at the International Conference on Well-being 2016, held from 31 October 2016 to 1 November 2016 at SIM University, Singapore.
- **Namratha Hullathi, Gagan Bajaj, Vinitha George, and Jayashree S Bhat** authored the research paper titled “Combined Effect of Yoga and Conventional Working Memory Training on Cognitive-Communicative Well-being” presented at the International Conference on Well-being 2016, held from 31 October 2016 to 1 November 2016 at SIM University, Singapore.
- **Mridula Nair, Vinitha George, Gagan Bajaj, and Jayashree S Bhat** authored the research paper titled “Effect of Age on Working Memory Training in Healthy Adults” presented at the International Conference on Well-being 2016, held from 31 October 2016 to 1 November 2016 at SIM University, Singapore.

- **Dr. Sudhin Karuppali** presented a paper titled ‘Lexical density and diversity in written genre: A developmental perspective in adolescents if India’ at IAFOR International Conference on Language Learning in Dubai held between 27th to 29th February 2016 organized by International academic forum in affiliation with global university.
- **Dr. Jayashree S. Bhat** presented a paper titled ‘A cross sectional study of HRV among medical students with different levels of obesity’ at 2nd Asia pacific conference on advanced research (APCAR-2016) held at Melbourne, Australia on 27th and 28th February 2016.
- **Dr. Kaushlendra Kumar** attended and presented a paper titled ‘Distortion product otoacoustic emission findings in industrial worker’ at the NHCA’s 2016 annual hearing conservation conference on 18th - 20th Feb 2016, San Diego, CA, USA.
- **Ms. Ananya A, II MASLP student**, presented a paper titled ‘Native language influence on syllable awareness in children learning English as a second language’ under the guidance of **Mr. Somashekara H.S** and **Dr. Jayashree S. Bhat**, at National Conference on Inter–Disciplinary Disability Rehabilitation held between 12th & 14th February 2016 at MAHE.
- **Ms. Anjana Hoode, II MASLP student**, presented a paper titled ‘Visual word recognition in English and Kannada biliterates: Effect of Frequency’ under the guidance of **Mr. Somashekara H.S**, at National Conference on Inter–Disciplinary Disability Rehabilitation held between 12th & 14th February 2016 at MAHE.
- **Ms. Jesna Joy, II MASLP student**, presented a paper titled ‘Relationship between phonological processing and reading abilities in typically developing Malayalam English bi-literate children’ under the guidance of **Mr. Somashekara H.S** at National Conference on Inter–Disciplinary Disability Rehabilitation held between 12th & 14th February 2016 at MAHE.
- **Mr. Gagan Bajaj** presented a poster titled ‘Introduction of case based learning to undergraduate students of Audiology and Speech to ease the transition from preclinical to clinical years’ at session-II of CMCL-FAIMER Fellowship program 2016 held between 6th to 11th February 2016 at Christian Medical College, Ludhiana.
- **Ms. Priya Pauline Rego, II MASLP**, presented a paper titled ‘Assessing lexical breadth and depth in English speaking children aged between 5 .0 to 10.11 years using systematic analysis of language transcripts’ under the guidance of **Dr. Sudhin Karuppali** at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.
- **Ms. Zeba Raisa Hussain, II MASLP**, presented a paper titled ‘Development of Higher Order Theory of Mind Abilities in Binaural 3.0 – 5.0 years of Age’ under the guidance of **Dr. Sudhin Karuppali** at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.
- **Ms. Nikitha Francis, II MASLP**, presented a paper titled ‘Cognitive Communication Disorders in Traumatic Brain Injury – A Single Case’ under the guidance of **Ms. Vinitha George** at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.
- **Ms. Nireeksha R. Anchan, II MASLP**, presented a paper titled ‘Assessing Spectral and Temporal Processing in Children in Comparison with adults using Spectral Discrimination and ripple noise perception’ under the guidance of **Mr. Arivudai Nambi**

at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.

- **Ms. Teenu Thomas, II MASLP**, presented a paper titled ‘Psychoacoustical measures in individuals with congenital visual impairment’ under the guidance of **Mr. Kaushlendra Kumar** at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016
- **Ms. Archana Rai, II MASLP**, presented a paper titled ‘Development of Norms for Timed Test of Swallowing in Indian Population from age group of 80years’ under the guidance of **Dr. Radish Kumar** at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.
- **Ms. Ancy Varghese, II MASLP**, presented a paper titled ‘Effect of Modified Shakers exercise in Pharyngeal Contraction during Swallowing’ under the guidance of **Dr. Radish Kumar** and **Ms. Sonia Babu** at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.
- **Ms. Dasmine Fraclita D’Souza, II MASLP**, presented a paper titled ‘Does Tongue Hold Maneuver Affect Respiratory Swallowing Coordination Evidences from Healthy Adults’ under the guidance of **Dr. Radish Kumar** at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.
- **Ms. Ananya A, II MASLP**, presented a paper titled ‘Contribution of Envelope and Temporal Fine Structure in Cue Combination’ under the guidance of **Mr. Arivudai Nambi** at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.
- **Ms. Calida Freida Pinto, II MASLP**, presented a paper titled ‘Nasal Airflow Monitoring During Swallowing: Evidences for Respiratory Swallowing incoordination in Individuals with Chronic Obstructive Pulmonary Disease’ under the guidance of **Dr. Radish Kumar** at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.
- **Ms. Pragya Tyagi, III BASLP**, presented a paper titled ‘Influence of Fine Structure Dips in Interpretation of DP Gram’ under the guidance of **Mr. Arivudai Nambi** at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.
- **Ms. Ayshath Mizaz, III BASLP**, presented a paper titled ‘Do Student Clinician in Speech Language Pathology Predict Their Fundamental Frequency?’ under the guidance of **Dr. Radish Kumar** and **Ms. Sonia Babu** at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.
- **Ms. Shibi Varghese, III BASLP**, presented a paper titled ‘The Effect of Contralateral Noise on Speech Evoked Auditory Brainstem Response’ under the guidance of **Mr. Mohan Kumar** at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.

- **Ms. Anjali Jude, III BASLP**, presented a paper titled ‘Effect of Stimulus Repetition Rate on Acoustic Change Complex’ under the guidance of **Mr. Mohan Kumar** at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.
- **Ms. Malavika A.A** presented two scientific papers titled ‘Feeding and Swallowing in Children With Down Syndrome’ and ‘How Hard is Your Hard Glottal Attack’ at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.
- **Dr. Radish Kumar** presented a scientific papers titled “Voice mutation in the adolescents” at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.
- **Mr. Somashekara H.S** presented scientific papers titled “Comparison between pre-arithmetical concepts and arithmetic skills in early primary schools in typically developing children” at the Indian Speech and Hearing Association conference (ISHACON 48) held at Kokilaben Dhirbhai Ambani Hospital, Mumbai between 5th and 7th February 2016.
- **Mr. Rajesh Ranjan** presented a paper titled ‘Correlating conventional working memory task with variant everyday working memory task among young healthy adults’ at the Workshop on methods in cognitive science at silver jubilee 25th convention of national academy of psychology 2015-16 held at University of Allahabad on between 2nd to 5th February 2016.

2015

- **Mr. Rajesh Ranjan** presented a paper titled ‘Association of blood group and fine structure distortion product otoacoustic emissions across age group’ at Audiology-International Master class Series 2015 (AIMS 2015) and Audiology Conference held at Kovalam, Trivandrum between 4th and 6th December 2015.
- **Mr. Kaushlendra Kumar** presented a paper titled ‘Age related changes in cervical vestibular evoked myogenic potentials’ at the 1st world congress on ear and hearing Care conference held at India Habitat Center, New Delhi between 12th and 14th February, 2015.
- **Ms. Anuradha Shastry, II MASLP**, presented a paper titled ‘Impact of Noise on Hearing of Individuals Working in the Temples A Preliminary Study’ under the guidance of **Mr. Rajesh Ranjan** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Mr. Livingston Sengolraj II MASLP**, presented a paper titled ‘Effect of hemodialysis on temporal processing, spectral processing and speech perception in noise’ under the guidance of **Mr. Kaushlendra Kumar** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Dashika II MASLP**, presented a paper titled ‘Auditory Spectral, Temporal And Cognitive Processing Deficits: A Consequence Of Aging On Speech Perception In Noise’ under guidance of **Mr. Arivudai Nambi** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal, between 1st and 3rd January, 2015.

- Ms. Pashyanti II MASLP, presented a paper titled 'Effect Of Aging On Co-Modulation Maskingrelease, Amplitude And Frequency Modulationdetection' under the guidance of **Mr. Arivudai Nambi** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal, between 1st and 3rd January, 2015.
- **Ms. Amrin T.K, Intern**, presented a paper titled 'Contribution Of Selective Attention In Psychophysical Overshoot' under the guidance of **Mr. Arivudai Nambi** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal, between 1st and 3rd January, 2015.
- **Ms. Thashmi, II MASLP**, presented a paper titled 'Ocular Vestibular Evoked Myogenic Potential Testing Using Two Different Procedures Across Different Age Groups' under the guidance of **Mr. Kaushlendra Kumar** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal, between 1st and 3rd January, 2015.
- **Ms. Linda Sara Babu, Intern**, presented a paper titled 'Association Of Efferent Suppression And Psychophysical Overshoot In Human Listeners' under the guidance of **Mr. Arivudai Nambi** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal, between 1st and 3rd January, 2015.
- **Ms. Monica, II MASLP**, presented a paper titled 'Relationship Between Phonological Processing And Auditory Processing In Children' under the guidance of **Mr. Arivudai Nambi** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal, between 1st and 3rd January ,2015.
- **Ms. Delora Samantha Serrao, II MASLP**, presented a paper titled 'Role Of Temporal Fine Structure In Cue Combination: A Model Based Analysis' under the guidance of **Mr. Arivudai Nambi** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal, between 1st and 3rd January, 2015.
- **Ms. Nikitha BT, II MASLP**, presented a paper titled 'Role Of Active Listening And Listening Effort in TEOAE' under the guidance of **Mr. Kaushlendra Kumar** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal, between 1st and 3rd January ,2015.
- **Ms. Kavya, Intern**, presented a paper titled 'Association Between Vo2 Max And Distortion Product OAE' under the guidance of **Mr. Arivudai Nambi** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal, between 1st and 3rd January, 2015.
- **Ms. Sameekasha Shetty, Intern**, presented a paper titled 'Does Post Nasal Drip Have An Effect On Voice??' under the guidance of **Dr. Radish Kumar** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal, between 1st and 3rd January, 2015.
- **Ms. Sujitha R., Interns**, presented a paper titled 'Discrimination of Malayalam phonemes by Native and Nonnative Listeners of Malayalam' under the guidance of **Mr. Mohan Kumar** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal, between 1st and 3rd January, 2015.
- **Ms. Varsha Prabhu, III BASLP**, presented a paper titled 'Verification of Noise Reduction Rating in Indian Population OAE' under the guidance of **Mr. Arivudai Nambi** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.

- **Ms. Larisa, III BASLP**, presented a paper titled ‘Contralateral Suppression Of Transient Evoked Otoacoustic Emissions For Various Noise’ under the guidance of **Mr. Mohan Kumar** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Ayshath Sahana, III BASLP** presented a paper titled ‘Binaural Interaction Component In Speech Abr With Its Effects On Age’ under the guidance of **Mr. Kaushlendra Kumar** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Carol Melanie, III BASLP**, presented a paper titled ‘Contribution of acoustic radiation for abnormal air bone gap at 4000Hz’ under the guidance of **Mr. Arivudai Nambi** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Dhanya K.M, II MASLP**, presented a paper titled ‘Degree Of Harmonic Organization In Healthy Aged Individuals ‘ under the guidance of **Dr. Radish Kumar** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Feby Sabu, Research Assistant**, presented a paper titled ‘Degree Of Harmonic Organization In Healthy Aged Individuals’ under the guidance of **Dr. Jayashree S.Bhat** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Feby Sabu, Research Assistant**, presented a paper titled ‘Does Radiation Therapy Swallow Up The Swallowing Abilities?’ under the guidance of **Dr. Jayashree S. Bhat** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Sharon Mariam, II MASLP**, presented a paper titled ‘Insight Into Feeding Pattern In Normal Infants Between 0 To 6 Months A Preliminary Report’ under the guidance of **Dr. Deepa N.** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between between 1st and 3rd January, 2015.
- **Ms. Priyanka E.M, II MASLP**, presented a paper titled ‘Speed Of Swallowing In Healthy Aged Individuals: A New Screening Tool For Dysphagia, under the guidance of **Dr. Radish Kumar** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Anuradha Shastry, Asst Professor**, presented a paper titled ‘Speech Intelligibility In Individuals With Chronic Obstructive Pulmonary Disease’ under the guidance of **Dr. Jayashree S.Bhat** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Krupa Rajan, III BASLP** presented a paper titled ‘Respiratory Swallowing Coordination In Individuals With Asthma’ under the guidance of **Dr. Radish Kumar** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Anuradha Shastry, II MASLP** presented a paper titled ‘Does Chronic Obstructive Pulmonary Disease Impact the Voice-Related Quality of Life? under the guidance of **Dr. Radish Kumar** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Shuraga, III BASLP** presented a paper titled ‘Do Singers Modulate Their Harmonics Differentially during Phonation and Singing? under the guidance of **Dr.**

Radish Kumar at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.

- **Ms. Sonia Babu, II MASLP** presented a paper titled ‘Lexical Density And Diversity In Written Genre: A Developmental Perspective In Adolescents’ under the guidance of **Dr. Sudhin Karuppali** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Shrunga M.S, II MASLP** presented a paper titled ‘Assessing age related changes on Twenty Questions Task’ under the guidance of **Mr. Gagan Bajaj** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Sreeshma R, Intern,** presented a paper titled ‘Exploring Age Related Changes In Prospective Memory’ under the guidance of **Mr. Gagan Bajaj** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Ridha Fathima, Intern,** presented a paper titled ‘Evaluating the effect of age on Everyday Problem Solving abilities’ under the guidance of **Mr. Gagan Bajaj** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Nayana P. Kumar, II MASLP,** presented a paper titled ‘Correlating Conventional working memory tasks with variant everyday working memory tasks among young healthy’ under the guidance of **Mr. Gagan Bajaj** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Pashyanti Nagendra, II MASLP** presented a paper titled ‘Comprehensive Bedside Screening Tool For Adult Language Disorders’ under the guidance of **Dr. Deepa N.** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Sruthy Varghese, Intern,** presented a paper titled ‘Effect Of Stimulus Abstractness On Problem Solving Abilities In Healthy Young Adults’ under the guidance of **Mr. Gagan Bajaj** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Nayana P Kumar** presented a paper titled ‘Knowing Without Knowing: Effects Of Subconscious Priming On Word Retrieval’ under the guidance of **Dr. Sudhin Karuppali** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Mubsira N, III BASLP** presented a paper titled ‘Understanding the Cognitive Linguistic System of an Adolescent with Asperger Syndrome’ under the guidance of **Dr. Sudhin Karuppali** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.
- **Ms. Thashmi, II MASLP** presented a paper titled ‘Does the Verbal Ability of Children with Autism Spectrum Disorders Influence the Mothers Interactive Role? Evidence from Using Dyadic Parent-Child Interaction Coding System (DPICS)’ under the guidance of **Dr. Sudhin Karuppali** at the Indian Speech and Hearing Association conference (ISHACON 47) held at Manipal between 1st and 3rd January, 2015.

- **Mr. Sudhin Karuppali**, presented a paper titled ‘Understanding proverbial expressions in adolescents between 10-15 years of age’ at the 1st TRI-ELE International Conference – “Toward Global English Horizons” which was held at Bangkok, Thailand in June, 2014.
- **Ms. Delora Serrao, II MASLP**, presented paper titled ‘Software to assess temporal fine structure sensitivity and working memory for the prescription of electroacoustic features of hearing aid’ under the guidance of **Mr. Arivudai Nambi** during the Innovation day held at KMC Mangalore on 20th December, 2014.
- **Ms. Nayana P Kumar, II MASLP**, presented paper titled ‘A computer based measure of everyday working memory in adults’ under the guidance of **Mr. Gagan Bajaj** during the Innovation day held at KMC Mangalore on 20th December, 2014.
- **Ms. Nayana P Kumar, I year MASLP**, presented paper titled ‘Communication related working memory deficits – Does the decline begin as early as fourth decade of life’ under the guidance of **Mr. Gagan Bajaj** at the Indian Speech and Hearing Association conference (ISHACON 46) held in Kochi, between 7th and 9th February, 2014.
- **Ms. Shrunga M.S, I year MASLP**, presented paper titled ‘Semantic processing speed and semantic knowledge – Do age differences exist?’ under the guidance of **Mr. Gagan Bajaj** at the Indian Speech and Hearing Association conference (ISHACON 46) Kochi, between 7th and 9th February, 2014.
- **Ms. Delora Serrao, I year MASLP**, presented paper titled ‘Contribution of amplitude modulations for concurrent stream segregation: A probe through object related negativity’ under the guidance of **Mr. Arivudai Nambi** at the Indian Speech and Hearing Association conference (ISHACON 46) Kochi, between 7th and 9th February, 2014.
- **Ms. Harsha Haridas, I year MASLP**, presented paper titled ‘Association of consonant identification with frequency following responses for harmonic complex and tonal sweeps’ at the Indian Speech and Hearing Association conference (ISHACON 46) Kochi, between 7th and 9th February, 2014.
- **Mr. Thejaswi D, II year MASLP**, presented paper titled ‘Does temporal coordination between onset of swallow & onset of apnea varying in healthy aged population?’ under the guidance of **Dr. Radish** at the Indian Speech and Hearing Association conference (ISHACON 46) Kochi, between 7th and 9th February, 2014.
- **Ms. Ketaki Vasant Phadke, II year MASLP**, presented paper titled ‘Nonlinear dynamic analysis of voice in teachers with dysphonia’ under the guidance of **Dr. Radish** at the Indian Speech and Hearing Association conference (ISHACON 46) Kochi, between 7th and 9th February, 2014.
- **Ms. Ketaki Vasant Phadke, II year MASLP**, presented paper titled ‘Video kymography : A new approach to portray the vocal fold function’ under the guidance of **Dr. Deepa N.** at the Indian Speech and Hearing Association conference (ISHACON 46) Kochi, between 7th and 9th February, 2014.
- **Ms. Aimy Eldose, II year MASLP**, presented paper titled ‘Role of fine structure & envelope in the perception of interaural time difference’ under the guidance of **Mr. Arivudai Nambi** at the Indian Speech and Hearing Association conference (ISHACON 46) Kochi, between 7th and 9th February, 2014.
- **Ms. Anuradha Shastry, II year MASLP**, presented paper titled ‘Acoustic & Perceptual analysis of voice in individuals with COPD and ‘Acoustic & Perceptual correlates of

voice in Indian Hindu Purohits' under the guidance of **Dr. Radish** at the Indian Speech and Hearing Association conference (ISHACON 46) Kochi, between 7th and 9th February, 2014.

- **Ms. Nimalka Maria Sequeira, II year MASLP**, presented paper titled 'Measuring VEMP using 2 different procedures' under the guidance of **Dr. Kaushalendra Kumar** at the Indian Speech and Hearing Association conference (ISHACON 46) Kochi, between 7th and 9th February, 2014.
- **Mr. Abin K.V, II year MASLP**, presented paper titled 'Associations of blood group and fine spectral changes in acoustic emissions' under the guidance of **Mr. Rajesh** at the Indian Speech and Hearing Association conference (ISHACON 46) Kochi, between 7th and 9th February, 2014.

2013

- **Mr. Sudhin Karuppali**, presented a paper titled 'Assessment of Figurative Language in children aged between 10–16 years: Using simile completion tasks' at the UPALS ICL 2013 which was held at Penang, Malaysia in May, 2013.
- **Dr. Jayashree S. Bhat** presented a paper titled "Effect of blood glucose levels on verbal fluency at the 26th International Academic Conference: Multidisciplinary Intellectual Perspectives - Intellect Base Consortium, held at Bangkok, Thailand between 14th and 16th March, 2013.
- **Ms. Remya. P. Nair** presented a paper titled "Visual Word Recognition in Kannada in view of Dual Route Cascaded Model" at the 26th International Academic Conference: Multidisciplinary Intellectual Perspectives - Intellect Base Consortium, held at Bangkok, Thailand between 14th and 16th March, 2013.
- **Mr. Gagan Bajaj** presented a paper titled "Association of self-report of hearing loss and Audiometric Thresholds in Adults – A Cross-Sectional Study" at the 26th International Academic Conference: Multidisciplinary Intellectual Perspectives - Intellect Base Consortium, held at Bangkok, Thailand between 14th and 16th March, 2013.
- **Mrs. Rashmi Ananth Pai** presented a paper titled "Effect of body posture on Vestibular Evoked Myogenic Potentials" on 2nd Singapore Rehabilitation Conference held at Singapore between 27th February and 1st March, 2013.
- **Ms. Priyanka Jayaram** (Intern) presented a paper titled 'Musical Training and perception of Speech in Spectral Gaps' on 2nd Singapore Rehabilitation Conference held at Singapore between 27th February and 1st March, 2013.
- **Mr. Ajit Kumar**, II MASLP presented a paper titled 'Effect of acute sleep deprivation on normal hearing individuals & 'Effect of open and close eyes on VEMP' on 2nd Singapore Rehabilitation Conference held at Singapore between 27th February and 1st March, 2013.
- **Mr. Arivudai Nambi**, delivered a guest lecture on 'Chirp ABR, at the 45th Indian Speech and Hearing Association Conference (ISHACON), which was held at Chennai between 1st and 3rd February, 2013.
- **Mr. Sudhin Karuppali**, presented a paper titled 'Biological Motion Detection And Theory Of Mind Abilities In Children With Autism Spectrum Disorders In Comparison With Typically Developing Children' at the 45th Indian Speech and Hearing Association Conference (ISHACON), which was held at Chennai between 1st and 3rd February, 2013.

- **Mr. Livingston Sengolraj** presented a paper titled ‘Effect of musical training on spectral resolution, selective attention and speech perception in spectral gaps’, under the guidance of **Mr. Arivudai Nambi** at the 45th Indian Speech and Hearing Association Conference (ISHACON), which was held at Chennai between 1st and 3rd February, 2013.
- **Ms. Priyanka J** and **Mr. Livingston Sengolraj** presented a paper titled ‘Effect of musical training on speech perception in spectral gaps’, under the guidance of **Mr. Muthuraj P** and **Mr. Arivudai Nambi** at the 45th Indian Speech and Hearing Association Conference (ISHACON), which was held at Chennai between 1st and 3rd February, 2013.
- **Ms. Delora Serrao, Ms. Desma Dsouza** and **Mr. Anshul Arora** presented a paper titled ‘Role of temporal fine structure sensitivity and working memory in speech perception in noise’, under the guidance of **Mr. Arivudai Nambi** at the 45th Indian Speech and Hearing Association Conference (ISHACON), which was held at Chennai between 1st and 3rd February, 2013.
- **Ms. Badarunisa Mohammad Basheer** presented a paper titled ‘Acoustic information transfer in esophageal and trachea esophageal speech’, under the guidance of **Mr. Muthuraj P** at the 45th Indian Speech and Hearing Association Conference (ISHACON), which was held at Chennai between 1st and 3rd February, 2013.
- **Ms. Gopika K K** and **Ms. Priyanka J** presented a paper titled ‘Effect of musical training on encoding of amplitude modulated sweeps in auditory system’, under the guidance of **Mr. Arivudai Nambi** at the 45th Indian Speech and Hearing Association Conference (ISHACON), which was held at Chennai between 1st and 3rd February, 2013.
- **Ms. Hiral Shah** and **Ms. Nikhitha M** presented a paper titled ‘Can The Acoustic Change Complex Be Used To Determine The Behavioral Frequency Discrimination Threshold’ under the guidance of **Mr. Mohan Kumar K** at the 45th Indian Speech and Hearing Association conference (ISHACON) which was held in Chennai between 1st and 3rd February, 2013.
- **Ms. Nikhitha M** and **Ms. Hiral** presented a paper titled ‘Effect of binaural masking level difference on Speech evoked Auditory brainstem response’ under the guidance of **Mr. Mohan Kumar Kalaiah** at the 45th Indian Speech and Hearing Association conference (ISHACON) which was held in Chennai between 1st and 3rd February, 2013.
- **Ms. Revathy R** and **Ms. Nikhitha M** presented a paper titled ‘Effect of blood glucose level on verbal fluency’ under the guidance of **Mr. Gagan Bajaj** at the 45th Indian Speech and Hearing Association conference (ISHACON) which was held in Chennai between 1st and 3rd February, 2013.
